America's Choice for
Home Improvement Loans

Since 2004

About Us

We are America's Choice for Home Improvement Loans since 2004

AMS Financial Solutions is located in Charleston, SC. We are a specialist in home improvement financing and our mission is to help you find the best loan possible for your particular project. Our staff has over 50 combined years of home improvement lending experience and have helped over 100,000 customers obtain financing for their home projects. In addition we are trusted partners to over 25,000 home improvement contractors who refer their clients who need financing to us. Whether you are looking to finance a new swimming pool, add a sunroom to your home, fix your roof or any other project, we know how to get you the best loan fast and efficiently. We have unsecured loans and 0% credit cards programs in all 50 states and for all credit grades including Excellent, Good, Fair and poor.

Low rates and fees through knowledge and technology

We use the most advanced technology available to help find you the best loan option in the market. We combine the use of our helpful tools, credit and loan based resources, advanced processing software and secure automated underwriting systems to make the process as efficient as possible. You won't find a more comprehensive solution anywhere else.

Helpful tools and resources

Our goal is to make sure that you are well informed about your options. We make available many helpful tools and resources so that you can make the best decision for you and your families specific needs. You can read all about credit and how to make sure that you maintain your credit report and scores. Feel free to use many of our helpful loan calculators. You can utilize our glossary of industry specific terms and lastly you can read up on the latest happening in our the home improvement finance industry by reading and keeping up to date with our blog.
