- ◆ Lifetime limited warranty.

Siding: Carolina Beaded in natural clay.
Trim: 3-1/2" Lineals and Crown Molding in colonial white.

The STUDfinder™ Installation System

STUDfinder combines precisely spaced nail slots with indicator letters, designed for accurate and secure installation.

STUDfinder for Accuracy

- Nail slots align with 16" on-center standards for stud spacing.
- Indicator letters help:
 - Determine location of studs
 - Ensure nails are positioned correctly
 - Ensure correct number of nails are used

STUDfinder for Security and Performance

- Nailing to studs provides a strong and secure connection.
- Protects against blow offs from under nailing.
- Protects against buckling from over nailing.
- Helps avoid nailing into hazardous items between studs like plumbing or wiring.

STUDfinder...
because beauty and performance
start with a quality installation.

16"

The authentic look of classic hand craftsmanship.

The deep "V" groove design creates a distinct shadow line between the face of the panel and the rounded bead. The low gloss, brushed finish looks like freshly painted wood.
